I've got this fuck buddy Johnny. He's a little older than I am but I don't care. He really looks after himself and damn does he look good! We hook up all the time and he always fucks me real good. The best part about doing the nasty with a Johnny is that he's not selfish. He's really into getting me off - he says it turns him on - so when we have sex, it's like all about me.

To the Editor:

Hooray for Spencer! is one sexy lady and a real doll. I've had the good fortune to have watched her through the years, from her early days to today, and she has stayed the same. A sweet but lusty babe that just can't get enough sex. But in all those year, I don't think she has looked any better than she does now.

— David, D.C.

Putting around

I cater weddings and events for different golf courses and even county parks in Southern California. Today, it's nine in the morning and I'm waiting for my crew to arrive so we can set up for the wedding reception that's supposed to happen at three. I'm sitting at an empty table on the large veranda that wraps around the clubhouse, with a view of the parking lot so I can see when the food truck or my crew shows up. A few feet below me and off to the right side is a practice putting green with a lady taking lessons from the golf pro, Bradley.

I've seen her before, she comes on Fridays and has a few drinks at clubhouse bar and takes putting 'lessons' from Brad. Trust me, her putting hasn't improved much but she sure knows how to score. They usually practice for about an hour, but I noticed that they cut it short this time. I thought it a bit odd and decided to see what they were up to. The settled into a secluded spot at the back the last green. I walked to the end of the veranda and had a good view of their spot.

I see her look up from their embrace and she saw me watching from above and gave me a big wink as she dropped to her knees and went down on Brad. She had no problem swallowing his huge cock. After she takes a break, he pulls up her skirt and starts licking her. Her pussy gleams from the wetness. After a few minutes all their

clothes are off and they go at it. He sucks on her boobs, she sucks on his cock, and I watch with my hand in my pants.

They are now down on the ground sucking and fucking. I sneak in a little closer to get a better view of the action. They're 69-ing and she's on top – sucking his dick and Brad is on his back licking her pussy. They change positions and are now fucking with the intensity of the final hole at the Masters.

— Dan, La Jolla

Licking lesson learned

I'm sitting at my kitchen counter, typing out this letter to you. I hope you get a kick out of it! Bonnie had her new boyfriend over to the house the other night. They've been together for a few months but she insists they're not dating. Okay, I'll buy that but when she tells me that he's really interested in her, what am I to think. Bonnie tells me he hasn't been getting A's in the bedroom lately, especially when he goes down south on her. Now, every girl needs a good licking and if a guy's going to do it, do it right, dammit.

How do I know? I'm her roommate, and in this case, her confidant. She and I talked about it for a while last night and came up with a simple plan. Next time he's over, Bonnie will take him into her bedroom and I would already be there. She would make him sit on the corner of the bed and watch me eat her out. There she'd explained to him their trouble in bed, and offered to show him how it should be done.

She and I took off our bottoms, and flipped a coin to see who would eat and who would

be eaten. Bonnie won and laid back on her elbows and spread her legs. I got between them and licked her pussy the right way. She was loving it, but right in the middle, the boyfriend asked if we could switch positions so he could see better.

I stopped in the middle, looked over at him, rolled my eyes and said okay. Bonnie got up and I laid back and spread my legs. She moves in and starts licking. I had only been licked once before, about two months ago and admittedly, I liked it. I gave out a couple little moans, closed my eyes, and lost myself in her tongue for a minute. Suddenly, Bonnie yelps and smashes her chin on my pussy. I open my eyes and see her man had gotten behind her and jammed his cock in her wet pussy. She grabbed hold of my hips as he pounded into her. I looked at him wanting to say he overstepped his welcome, but when Bonnie's mouth went back to licking and sucking me, I let it go. A climax was building up quickly.

As her fucked her, his eyes were on me. I didn't want to give any mixed signals so I closed my eyes and let the even unfold. This went on for about ten minutes and, just as suddenly, we all came at the same time. He pulled out, she raised up and I just lay there. Bonnie sits next to me on the bed and says that was worth an A+. We all laughed and played around a little, but she wouldn't let him fuck me. That was okay. We had fun.

— Missy, Baton Rouge, LA

Got me a Man!

My very first job would be my last for a long time. Where I grew up, when you were old enough to get a job, you went to work and helped pay the bills. It's back about two years when I had to first do this. I got a job where I would do office chores and clean the gym and locker rooms at a summer recreation center. It didn't pay much but it was fun to see all the mom's bring in their kids to play ball, and all the people that played there, too.

This guy named Trent ran the place like a tight ship. He was the master of money and left the running of the center to his wife and staff. Trent always paid me on time which is all I cared about, but truth be told I would have rather gone to bed with him than any of the drooling boys lingering around the locker room. One day I was helping out at the front desk when 'he' walked in. I asked if I could help and he said he wanted to register his nephew in the adult activities. I said 'sure' and took his information. His nephew was from France and spoke spotty English so he was going to help him register.

He asked if there was practice on Friday or Saturday because that's when his nephew, Pierre had time. I said there was no adult practice on Friday, but there was practice in the 18 and up league then. He agreed,

Emo-tions

I must say that I was pleasantly surprised at the emo-ish pictorial you ran in 30+40 with Camilla and Raine. Their outfits were kick-ass and I loved the location. But for me, it lost a little when they got naked. It's not that they didn't look good licking pussy and sucking cock, in what turned out to be a hot threeway. I was just that the Emo feel was lost when they took their clothes off. Surely, they could have kept them on for a few shots before stripping them off. Nonetheless, it was good stuff and I thank you for bringing it to me.

— Ken, Detroit

introduced himself as Tony and we set up his friend's schedule.

The first Friday rolls around and Tony and Pierre are in fifteen minutes early. I'm cleaning the waiting area and they come to sit. I'm a little embarrassed to be seen in a tank top, jeans and a broom, but they smile and said "Hello." to me. I said hello back and said my name was Kelley. "Hello Kelley," he said and added how nice I was in helping him at registration. I politely smiled and kept working. Leaning back on the wall, he tells me that he likes a hard working woman, but if he had one like me, he wouldn't have her working at all.

Next Friday comes and their month is up. Tony registers Pierre for another two months and we've become kinda friends. One Friday night he asks me if I'd have lunch with him. I hesitated, but agreed since it was only lunch. I had never been out with a man in his forties before, but he seemed cool and I didn't feel like the twenty-year-old that I was with at the time. Well, as you can assume, just because I'm writing a letter to this magazine, that things got hotter. Three months after meeting we were fucking, but not just fucking, he was wining and dining me. I was late for work a few times and Trent asked me what was going on. I said nothing, but two days later I came into the rec center and quit. "Why?" asked Trent, irritated. I told I met someone and was done with the rec center.

The next two months were a blur for me, Tony and I traveled and dined in exclusive restaurants. I was a princess and he was my prince in a love story that felt like it should have lasted a lifetime. Then there was the time I came back to the apartment and was surprised when I saw him butt-ass naked with his dick hanging out! When I got inside, I was all horny from seeing him naked

so I started rubbing it and jumped him.

He dropped me on the bed and within seconds I was stripped naked and laying on the bed. He straddles me and moves up my body and puts his rock hard cock up to my mouth. I grab it and push it up against his belly making his balls the target of my tongue. I lick them front to back, pull his cock down and lick the entire length of his shaft. I nibble at the tip and purposely ignore taking his cock into my mouth. My tongue teasing has made him even harder and more horny.

I relent, taking his cock all the way in on the first try. We've had so much sex since we've been together that I've become very good at giving head. I suck him for another few minutes before he gets off me and put me on my knees and enters me from behind. I lower my upper body so he can get in deeper and he does. He leans over grabbing both shoulders and pulls me harder on his cock. I'm enjoying him and feel him ready to burst. I push my butt back to his pelvis and grind into it. I reach between our legs and grab his balls and work my finger into his butt hole. He blows his load, I cum too, and he collapses on top of me.

Afterwards, I make him dinner, he makes me laugh.

— Kelley B., Boston

Carmen rocks

Hi guys, just want to say that Carmen McCarthy was a great layout in your last issue. She's quite a hottie with a great smile and killer bod. But, I gotta say, you're going to have a hard time convincing me she is 30 year old. Not that it really matters because he is such a cutie, with few apparent inhibitions. Thanks again you guys.

— Presley, Tuscon

You know what? I love my body. Some of the guys I dated tease me about the size of my boobs but I always tell them to go take a flying fuck. They may not be huge but they are crazy sensitive and when I pinch my nips I get wet down below. I'm happy with what I have, thank you very much! I'm really great at making myself feel good.

A full-page photograph of a blonde woman with long, wavy hair, posing in a black lace bodysuit. She is standing by a large window, looking back over her shoulder at the camera. The background shows a lush green lawn and trees. The name 'Nicole' is written in a large, white, cursive font with a black outline on the right side of the image.

I get constant attention from all the boys. Even the ones that are married will stop and stare at me when I walk down the street. Sorry ladies, it's not my fault. My body is so smokin' that I love to show it off. Sometimes I tear all my clothes off in the middle of the day for no reason! I get a tingling taking over and I know that I just gotta get naked no matter what.

Tommie

I just love dressing a little wild. From shiny silver vinyl bras and fish nets, these are the things that make me feel like a sexy woman. When I was younger, I loved the torn jeans and belly shirts, but my tastes have changed as I got older. The great thing is the way I can still look fucking hot in both. Today it's the fishnets and I know you'll like seeing them get torn so my pussy can get fucked!

Roseanne you're worth the wait

I was seeing her every day but never getting more than just a kiss or two. She told me she couldn't wait for us to get some time alone this summer. It was absolute torture. Our junior year at the college ended and summer break finally came. We agreed to not rush things and wait until we had some time together. We didn't have to wait long. I'm now thirty-five and Roseanne is now my wife. This story is for all you men who have loved and lost and were able to find love again.

So, my parents decided to go see some old college friends in Nashville. That means I had the house to myself for the month that they'd be gone. I promised them no parties and I intended to stick to it. When I told Roseanne, she freaked at the news knowing full well what was going to happen. Both of our parents knew that she would be over at our place most of the time. We had been together in high school and now three years into college we are even closer. Yes, they were right.

I drove my folks to the airport and saw them off. They reminded me to be good and I reassured them as best I could. When I drove back home, I stopped by and picked up my girl and we went back to watch some movies on the TV. We went in the house and I put a movie on. A movie we would not end up watching. Within a minute, Roseanne practically pounced on to me nearly knocking me off the couch. I regrouped and said we should really go to the bedroom instead of messing up the sofa.

We practically ran to my room, removing our clothes on the way there. By the time we reached the bed we were both naked, and even though having seen her naked before, I was once again mesmerized by her beauty. This time though I decided to take over and quickly grabbed her and lay her down on the bed. This surprised her but I could also see she liked it. I gave her a quick kiss on the lips, then started kissing down her body, stopping at her nipples to suck them one at a time. I threw in an occasional soft bite which caused her to wince and moan which just encouraged me.

After a few minutes of alternating between her nipples, I continued to kiss down her body until I finally reached her pubes and on to her pussy which was soaking wet by this point. I traced my fingers around her labia, teasing them and her slit, occasionally tipping a finger into it. Wanting to please my lady, I slowly inserted a finger all the way in. It went in pretty easily because by now she was quite wet. I wasted no time thrusting my fingers in and out of her pussy. I continued doing it until she seemed to really get into it, moaning louder and louder.

Then I took more initiative to try pleasure her more, I inserted one more finger, then another. Each time she would moan louder but I felt I wasn't giving her enough. I pulled out my finger and licked it and as it turns out, it didn't taste bad. In fact, it had an interesting taste I couldn't explain.

I leaned closer to her pussy and licked up and down the slit. This sent shivers through up and down her body and she froze for a mo-

ment. I'm thinking she must have had a mini orgasm. And so I stuck my tongue as deep into her as far as I could and tasted her insides. I started pushing my tongue in and out and occasionally coming up for air. Going back down, I focused my tongue more on her swollen clit and gave it a bit of sexy tongue-lashing. I could instantly tell that she loved it and it pleased her immensely. This brought her to an intense orgasm, her legs locked around my head and she screamed my name out very, very loud.

Her juices came gushing into my mouth and I took as best I could. I wasn't used to having my face flooded with lady cum. When her orgasm finally passed, she let me go and I lay besides her waiting for her to fully calm down. Minutes later she finally stopped breathing heavily and looked down at me with a satisfied look.

"My turn." she said and began slowly teasing just like I did her, slowly rubbing my cock head. Then, ever so lightly sliding them down the shaft and giggled. She definitely knew how to tease. Now every time my cock slid through her hands, she would stick her tongue out and lick the tip. This caused both pleasure and frustration as I was happy to have her tongue on my cock but want-

ed it in her mouth and deep down her throat. She finally grabbed me by the base and began to lick and slap her tongue against my balls. The whole time she kept her eyes looking up at me occasionally she would back off and give me a seductive smile. This girl knew how to work a cock! Then she slowly brought her tongue up and licked

from the base to the tip sending shivers throughout my body. I had enough off this teasing, I couldn't take it anymore.

She engulfed the head of my cock into her mouth swirling her tongue around the tip. I placed

my hand on her head and gently brushed some hair out of her face as she worked more and more of my cock into her warm moist mouth. Roseanne ran her tongue all over it while applying just the right amount of suction and stroking what part of it wasn't in yet. I soon felt the entrance of her throat

as she kept taking more of my swollen cock. Still being a tease, she would start to slide part of the tip into her throat before pulling back and then doing it again. Oh, yeah, she was good.

I reached down and slid my hand to her chest to feel those amaz-

ing boobs she had. This got what I could make out as a smile as she still had my cock in her mouth. Then, Roseanne, with her free hand grabbed my balls and squeezed slightly giving a nice felling combined with giving me head. She then slid my cock out her mouth and began stroking me as she sucked my balls. She revisits my throbbing cock and wraps her smooth fingers around it and

went to work again keeping one hand on my balls and rolling them around in it..

I closed my eyes to enjoy the feel of her firmness around of my cock, then opened them to the sexiest sight ever. My girlfriend was looking straight into my eyes as my cock was slowly being sucked deeper and deeper into her mouth. The feeling was beyond words and when she stared twirling her tongue around it, I knew I wouldn't last too long before I shot.

And I didn't. I couldn't stop myself because I was well past my limit and erupted into her mouth – hard. She sucked and sucked and I could feel her try to swallow everything, but some sipped out the corner of her mouth, which I found to be extremely hot. Finally I finished unloading into her mouth and she licked up everything. All

I could say was 'Damn girl!' She told me she liked the taste of it and wanted more. She was staring at my still hard cock with a grin. I started to get up to get on top of her but she stopped me. She told me she wanted on top and I was only too happy to oblige. "I want to feel your hard cock deep inside me!" she whispered.

And with that, she lowered herself slowly onto me and my cock head went in with ease. She slid up and down on my cock with her hands on my chest for support. This felt so good that I couldn't help but groan out loud. Eventually, she slowed down and sat on my rigid cock so that was all the way inside her, and her eyes were wide open with a look of pure satisfaction. Roseanne ground down hard on my cock and then started to move her hips up and down the full length of it, moaning louder and louder every time she did.

I couldn't help but start thrusting upwards to meet hers until we worked up a rhythm which we kept to a pace that increased until we were practically bouncing off the bed. It wasn't long before I felt her pussy squeeze my cock and that sent me over the edge and I unleashed a huge load deep inside her. I coated her insides with my cum and she must have been feeling it all because she went wild screaming out. When we were both done cumming we both just collapsed on the bed and a closed our eyes and both fell asleep.

Now, many years later, I watch her in her sleep and she still has the beautiful youthful face as when she did in my story. While it took a few years to reconnect, it was worth every minute we were apart.

These days, my favorite toy to play with is a super fancy looking glass dick that my best friend gave me. I giggled right along with her when I opened it. It felt as good as it looked. It's been tucked away snug and safe ever since - either in my purse or in my puss! If I'm at a party, I like to find myself someplace private where I can go and grind on my glass wand and for a while.

John said he'd take me around the world. At first I would like layoff, but he was persistent and truth be told, I was feeling a little bit horny. So I told him I only have time for a quickie and he agreed to a fuck with no time wasting no fancy stuff. I used my mouth to get him hard and hopped right on. I rode him and was inching my finger into my ass and that's when I first came.
